Development of bridge on river Sharavati

1289. SHRI J. P. JAVALI : Will the Minister of SURFACE TRANSPORT be pleased to state :

(a) whether it is a fact that the Bridge on river Sharavati near Honnavar on National Highway 17 has been closed for use for a very long time;

(b) if so, reasons for the same;

(c) what action has been taken to facilitate thousands of vehicles which ply on this road; and

(d) by when the bridge is likely to be ready for the normal flow of traffic?

THE MINISTER OF STATE OF THE MINISTRY OF SURFACE TRANSPORT (SHRI JAGDISH TYTLER) : (a) to (d) Bridge on river Sharavati near Honnavar on NH-17 in Karnataka has shown signs of distress due to corrosive environment. For the safety of travelling public the bridge was closed to heavy vehicular traffic in July 1991 and only light vehicles are permitted to ply on the bridge. For smooth flow of heavy vehicles 6 Nos. barges have been deployed in maintaining a ferry service across the river. The Ministry have recently sanctioned an estimate amounting to Rs. 436.45 lakhs for repair/strengthening of the existing bridge and the old bridge is expected to be ready for the normal traffic in the year 1995.
